

To. Wythall Parish Council

I am writing to you to say a big Thank-you to Patricia Harrison for all the help she gave both my Husband and I, when we went to the Council offices Friday Oct 16<sup>th</sup> to discuss our ashes and interment at the "Millennium Garden of Remembrance" and I would like to add, the Cemetery is a beautiful place, and we decided we would want our ashes to go there - but we had no idea how we would achieve this.

We met Patricia and she put us at our ease at once, and explained everything to do in a very compassionate and helpful way - we talked about a plot, where our ashes would be put, and she told us we would be together when the time came.

We cannot explain how we both felt, with the way Patricia Harrison, dealt with our requests. What a lovely lady, we felt compelled to write and tell you of our experience with her,
