

FEEDBACK FROM WYTHALL PARISH COUNCIL OPEN DAY ON 13TH NOVEMBER 2019

General

- Suggest make more use of social media pages so that people who can't visit in person will be able to comment. The best place to post such messages is "the only way is Wythall/Hollywood"
- Improve Footpath down Lea Green Lane from Wythall Station to Hollywood Lane
- Cut back vegetation, Barn Hill/Lea Green Lane
- Wythall Parish Council Open day is a great idea
- One night a week, well advertised, 5-8pm perhaps
- Return footpaths in Chapel Lane, especially cemetery to mobile café and Station Road, field side Wythall island to the old St Aidan's church for two people to walk side by side or take a wheelchair
- Restrict grants to businesses that are effectively not solvent unless they have a viable business plan in place

Wythall Cemetery

- Burials are becoming very costly. Vast reserves do not need to be earmarked for an excessively expensive plot for the fear who ***** afford it.
- I believe Wythall Parish Council has some £250,000 in reserve. I believe proposal to make our burial plots of same expense as our neighbours is exorbitant. I appreciate the long term need to maintain and develop the cemetery for long term need but from the last annual accounts it continues to make a small profit, with the present council reserves, a cost of living rise may be more appropriate and palatable, or if it is felt essential to raise to the same rate as Redditch.
- Increase in fees is too exorbitant.
- Consider infant and child graves

What would you like your Parish Council to do?

- Hold the meeting somewhere where there is suitable parking for those that have to use a car. I drove up and down Shawhurst Lane trying to find a parking space.
- Restricted view on egress from caravan club onto Chapel Lane.
- Company at old School House in Chapel Lane parking on the bend and damaging grass verge.
- Note sent to Worcester County Council about footpath on Lea Green lane, ref: 790415
- Clean the roadside drains more frequently
- Car park for Wythall Station needed.
- Drop kerb needed across entrance to Hollywood Gardens into Dark Lane.
- Re-locate to Wythall Park as more parking, hold event in late summer.
- Wythall Community meeting (PACT) re-launch as it is missed, it is useful platform to get views across.
